Membership Pledge

BREEDERS: As a member of the Salt City Cat Club of Syracuse, Inc. I pledge that I will not knowingly offer as a stud or sell any kitten or cat infested with any parasite, congenital defect or contagious disease. Each kitten sold by me will be no less than ten(10) weeks old and will have had its distemper shots. If a kitten or cat is taken less than that age, the purchaser must agree to accept responsibility in writing and the agreement must be signed by both the breeder and purchaser. Each member must provide a purchase agreement guaranteeing the health of the Cat or kitten sold for a specified period of time and a copy of the NYS Pet Lemon Law. This agreement must be signed by both parties. I further pledge that all pedigrees and breeding records of all cats and kittens kept, sold or bred by me will be accurate and truthful to the best of my knowledge. I will not knowingly breed unregistered cats unless it is for a controlled experimental breeding.

ALL MEMBERS: I also pledge that my intention on joining the Salt City Cat Club of Syracuse, Inc. – affiliated with CFA - is to bring to the club what talent, time and service I may have, to support the club, its officers and its by-laws to the best of my ability. I have read and understand the current constitution of the club and agree to comply with its terms and to the spirit in which it was written. I am aware that my failure to comply with the club constitution may result in disciplinary action as defined by the constitution.

ANNUAL DUES: Dues are \$10 per person per year. \$20 Family membership annually. We try to meet about 4 times a year: in April, then the important meetings are in August and September before our annual show (the 3rd Saturday in September) and then once more in October to elect officers and get going on our next show. We conduct most of our show business through email. Your attendance at the meetings is not required but would be appreciated. At showtime, we need all the help we can get!
