

***WELCOME!!! We hope you will enjoy showing your kitty!***

**The CFA does not allowed declawed cats to be shown.**

**Kittens must be 4 months old and Adult Cats must be 8 months of age on the day of the show to be in the Adult Class. All Cats that are going into the Premiership Class are to be spayed or neutered, as are the Household Pets that are 8 months of age. Make sure your cat is up to date on all shots and that his claws have been trimmed.**

### ***HOW TO ENTER***

**You must fill out a Cat Show Entry Form. Most people now-a-days enter shows [online](#). Just remember that payment is due within 10 days of entering online or at check-in at the show, whichever comes first. Many shows accept Paypal. However, if you have enough time, you can also [download an entry form](#) and mail it in along with a check for the entry fees. The Cat Show Flyer will have who and where to send payment to.**

**Directions to the show hall will be sent to you with both the hotel and show hall with your registration.**

**When entering one cat at the Cat Show I would recommend getting what is known as a double cage which costs only about \$15 or \$20 extra. You and your cat will be there for two days and it is nice for the both of you to have the extra space. Upsizing to a double is on the Cat Show Entry Form located under Special Requests.**

### ***WHAT TO BRING***

**The Clubs that are putting on the Cat Show will have the cage for you and litter, however you need to bring your own litter pan. Don't forget to bring a water bowl and food bowl too!**

**The CFA requires that you cover your cage on the ends, the top and the back. Also, there needs to be a covering on the table where the cage sits.**

**The size of a cage is 22" tall by 22" deep by 22" long for a SINGLE (half cage). If you upsize to a WHOLE cage it is 22 x 22 x 44".**

**NOTE: the cages all come with a divider, and when the divider is in place, it splits the cage into two 'sections' - so if you get a 'single' you could be sharing the other half with someone else...this makes for cramped seating in front of your cage area...**

**OK, so you can MAKE Show Curtains..or you can buy them (kind of expensive)**

**You can buy material...something washable**

**1 ½ Yards for the bottom of the Cage**

**1 ½ Yards for the top of the Cage**

**3 Yards for the inside and outsides of the Cage. You will need the whole 3 yards so do not cut it.**

**OR.....**

**Get a bath towel for the bottom and a couple twin sized sheets! EASY!**

**You might also want to get some clips to secure the top and sides of the cage down that way you will secure it so the cat can't push it up and get out. This you can get at any stationary store.**

**You will need a pet carrier to get to and from the show hall. and a comb or brush and maybe a small wooden snack table to groom the cat on.**

**You will want to wash the cat and clip all the claws before the show!**

## **Still have questions and need help??**

**Please call Kelly Farren at 315-656-4115 or Sally or Ray Dockstader at 315-846-5730 or email us at [saltcitycatclub@gmail.com](mailto:saltcitycatclub@gmail.com)**

**Someone will contact you!**
